

Small Wonders

Single-origin Venezuelan chocolate and caramelized bananas make **PARISIAN STAR DESSERTS'** individual banana *criollo* rich and decadent; coffee liqueur infuses their mini chocolate *sumapaz*; and macadamia nuts add to the complexity of the slightly-larger-than-bite-sized orange and chocolate mousse tarts. These are serious treats—seriously tempting, and seriously decadent. 206-545-3804; parisianstardesserts.com
